Principal's Pen

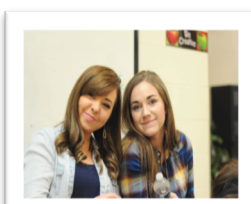

We are excited to announce that we have launched our new school website. This has been a work in progress and we are so glad to finally have it up and running. Our new site address is nmcswind.com. You will be able to check the school calendar for upcoming events, view the lunch menu,

download the sports schedules, listen to chapel messages, and log onto Engrade to see your student's academic progress. Each month we will send out this e-newsletter to help keep you up-to-date. We look forward to better serve you through this avenue. Have a great week!

Aaron Wagner

Student LIFE

Check out the new student life page!!! Here you will enjoy listening to all of our high school chapel messages that are preached each week. You can also read about our student's passion for the lost on the teen soulwinning page. Finally you will enjoy scrolling the photo gallery and seeing our student life in pictures.

sports

We have just begun baseball and softball season at NMCS. You can go to the "Athletics page" on the website and download a PDF of each team's schedule.

We are so excited to be taking the 7th through 10th graders on a field trip to the Creation Museum and The Noah's Ark Encounter in Kentucky. The children and adults alike will see and hear evidence that the Bible and events of creation are true. Biblical History is the focus at both parks with the Gospel being told to every visitor. The Creation Museum is a state-of-the-art 75,000-square-foot museum that brings the Bible to life, casting its characters and animals in dynamic form.

We will come face-to-face with Adam and Eve and many other characters in Genesis. Every facet of creation is described and showcased in great detail. We have taken this trip a few times but this will be the first time we will visit the newly opened Ark Encounter. The Noah's Ark encounter features a full-size Noah's Ark, built according to the dimensions given in the Bible, enabling us to experience the pages of the Bible like never before.

This trip will be on March 23rd - 25th.

UPCOMING
